BRACKETS & FRAMES

Since 1995 Exigo has been designing and manufacturing punch bag brackets and frames from our 30,000 sq ft factory based in the UK.

ELITE 1.25M PUNCH BAG BRACKET

MADE IN BRITAIN

The Exigo Elite 125cm Punch Bag Bracket has been made to take any punch bag in our range, designed for commercial use and ideal for any boxing club or home gym. With a 1.25 metre reach to the centre of the punch bag, this bracket doesn't restrict your foot work allowing you to work 360 degrees around the bag.

3FT FIXED PUNCH BAG BRACKET

MADE IN BRITAIN

The 3ft Fixed Punch Bag Bracket is made in Britain and has been designed for commercial use making it ideal for any boxing club or home gym. With a 3ft reach to the centre of the bag this bracket allows the user to work around the full diameter of the punching bag.

RETRACTABLE PUNCH BAG BRACKET

MADE IN BRITAIN

The Retractable Punchbag Bracket is a revolutionary design that simply allows you to push the punch bag flat to the wall using a rail system to free up crucial floor space. With a 100 cm distance to the centre of the punching bag this bracket creates an area that allows you to work around the bag. Manufactured to hold any bag in our range and suitable for commercial and boxing club use.

3FT FOLDING PUNCH BAG BRACKET

MADE IN BRITAIN

The Exigo 3ft Folding Bracket can hold punch bags up to 50kg in weight and can be folded flat against the wall when not in use. This bag bracket is suitable for commercial use and is ideal for any boxing club or home gym.

2FT FIXED PUNCH BAG BRACKET

MADE IN BRITAIN

The Exigo 2ft Punch Bag Bracket is made in Britain and has been designed for commercial use making it ideal for any boxing club or home gym. A 2ft reach to the centre of the bag bracket keeps the punching bag tighter to the wall and limits the working area to the front of the punchbag.

HEAVY DUTY FLOOR/CEILING HOOK

MADE IN BRITAIN

The Exigo Heavy Duty Floor/Ceiling Hook is manufactured in our own UK factory and can be used as either an anchor bracket for a floor to ceiling ball or a solid hanging point for a punch bag.

ELITE ADJUSTABLE SPEED BALL PLATFORM

MADE IN BRITAIN

The Exigo Elite Adjustable Speed Ball Platform offers 10 height adjustments over 225mm with numeric indicators for quick and easy reference. Constructed using 6mm laser cut steel that helps to support the 30mm thick MDF board that features a dual bearing swivel that ensures the platform remains stable whilst using and also provides a perfect rebound from the speed bag.
